

**PRESS RELEASE**

**July 4th, 2008**

**News about VEIL – continued expansion and growth**

After 25 years of running Thomas Blake & Company, Martyn Lewis is taking an advisory role to two new Directors Leo McDermott (Sales) and Paul Friel (Manufacturing) assisted by Mark Mountford (Administration). Diana Lewis is retiring to pursue her many other interests.

On Monday, 7th July, 2008 the factory will move from Yorkshire to an excellent purpose built manufacturing unit with the extra space required for the continued expansion of VEIL sales in the UK and worldwide.

The new details are as follows:-

Thomas Blake Cosmetic Creams Ltd  
Quantum House - Hobson Industrial Estate – Burnopfield - Co. Durham - NE16 6EA

Tel 01207-279432

Fax 01207-272078

Email [sales@veilcover.com](mailto:sales@veilcover.com)

Websites [www.veilcover.com](http://www.veilcover.com) and [www.hidemytattoo.com](http://www.hidemytattoo.com)

Manufacturing Director Paul Friel comments that in this modern day it is remarkable that Thomas Blake's original formulations and highly specialised manufacturing techniques from the 1950's still produce the best camouflage cream which is easy to apply and benefits from the recently introduced new shades.

Prompt despatch of orders will still be a key feature and all pharmacy orders received by phone, fax or email before 3.30pm are despatched by post the same day thus nearly guaranteeing next day delivery.

Sales Director Leo McDermott aims to capitalise on the strong existing customer base by expanding awareness of the benefits of camouflage through doctors, hospitals, clinics and salons and will work closely with the camouflage advisory services. A new leaflet will appear very shortly with an updated photograph of the famous Sue who has promoted VEIL for 25 years plus a new photograph for Vitiligo sufferers.

Anyone wishing to obtain supplies of the new leaflet should contact Leo or Paul or Mark after 7th July.

Leo is also updating and improving the well used website [www.veilcover.com](http://www.veilcover.com) for people with minor blemish problems that don't merit NHS assistance who wish to purchase VEIL for themselves. Samples of the 20 shades of VEIL are still available for purchase on the website to aid correct colour choice.

Please feel free to contact us with any questions and we will do our best to assist.
